Dear Shri Sharma ji,

While reviewing the performance of the project OJAS in FY 2020-21, your circle, against all odds and misgivings, achieved a saving of Rs. 50.74 Cr. in energy cost as per ERP and has contributed to the extent of 30.44 % of the PAN India ERP saving of Rs. 166.68Cr. This is a highly creditable accomplishment and in today's tough times each such achievement works as a morale booster for the whole organization. That this has been achieved as a result of high motivation, complete dedication & exemplary team work, is to state the obvious. Therefore, I wish to place on record my personal appreciation for the strenuous efforts made by you and your team, thereby lifting the performance of the entire organization.

Please convey my appreciation to all your team members who have been instrumental in realizing the goals set by the Corporate Office. I also urge you to continue in the same vein, with renewed zeal and enthusiasm, so that we may scale even greater heights in FY 2021-22 as well.

With best wishes,

Yours sincerely,

20.5.2021
