Sub: ITS Repatriation issue - Lunch Hour Demonstration on 18<sup>th</sup> September 2012

Sir,

As you are fully aware, the ITS absorption / repatriation issue is pending settlement for the last many years, seriously and adversely affecting the growth and development of BSNL. It is reported that the BSNL management is planning for deputation of the ITS officers for a further period, which may result in serious deterioration and lack of development. The delay is adversely affecting the morale of the workers.

The meeting of the Forum of BSNL Unions/Associations in its meeting held on 4<sup>th</sup> September 2012 after serious discussion in the matter has decided to organize a Lunch Hour Demonstration all over the country protesting against the delay in implementing the repatriation and demanding the management and the government to implement the same without any further delay.

Yours Sincerely
