

## **Why no revision in Medical Allowance and Medical reimbursement amount in respect of non-executive employees?**

The pay revision of officers was done in year 2008-09. Sequel to revision of pay their perks and allowances including Medical also revised in 2009.

The Wage revision of non-executive was much delayed and finalized on 15<sup>th</sup> Jan, 2010 and approved by DOT on 6/5/2010. There is no mention of revision of Medical Allowance etc in the wage agreement. Hence non-executive staff are not getting enhanced rate. NFTE has taken up the matter with CMD BSNL.
